

Recommended Math Summer Work

The recommended Math Summer Work for all students (6th, 7th and 8th) is to complete 3 hours a week in DreamBox. Please follow the directions in the letter below:

Dear Parent/Guardian,

Talley Middle School has purchased **DreamBox Learning's Math Program**, an online, Intelligent Adaptive Learning(tm) program that helps all students achieve better, faster math proficiency.

Your student can access DreamBox Learning from any computer, 24 hours a day, 7 days a week using this link:

<https://play.dreambox.com/login/hqpz/8asp>

DreamBox is an online program - there's no software to download! All you need is a high-speed Internet connection and Adobe Flash. Adobe Flash is free and is included with many Internet browsers.

To access DreamBox on iPad, go to <http://www.dreambox.com/ipad>, or search for "DreamBox Math" in the App Store. Download DreamBox Math Green and DreamBox Math Blue to ensure your student has access to the full catalog of DreamBox Learning Math lessons. When prompted in the app, use this School Code:
