

Greetings Claymont Families!

Can you believe it is 2022? The year has flown by so quickly. We want to thank our families for all of their support. Our students have done an amazing job. Thank you families for collaborating with your child's teacher. Checking your child's academic progress along with encouraging their social-emotional development are important factors in ensuring your child is growing. Thank you for allowing us to be a part of your child's village!

Each morning will continue to share kindness quotes and recognize students who are meeting the Cougar Expectations of being "*Respectful, Responsible, Cooperative, & Safe!*" At this time of year, we are doing a reset and review of schoolwide and classroom expectations.

As we move into the second half of the school year, we want to thank you again for your continued support!
