Dear MPE Families,

I hope everyone is healthy and that you are enjoying some time with friends and family. I am reaching out to all of you regarding some important information and dates. I will be in touch again in mid-August with more information.

Dress Code – As you may know the BSD Board of Education recently approved a new Dress Code that affects all BSD elementary students. Please see the new Dress Code [here](#). As an inclusive school/district, we strive to create a positive learning environment for all students free of distraction and disruption. As such, please keep in mind when you are shopping that clothing with inappropriate, suggestive, or derogatory pictures or phrases may not be worn. If you are in need of clothing for your child, please contact our main office.

Kindergarten Registrations – If you or a family friend is interested in sending their child to MPE for Kindergarten, please have them register ASAP. Registrations now occur online [here](#). We are currently holding tours for incoming families. Please call our main office if you would like to schedule a tour of our wonderful school.

Back to School Night/Transportation – Mark your calendars for Wednesday, August 25th. We will hold our annual Back to School Night then for families where you will get to meet your child's teacher and get a glimpse of our amazing school. Car line numbers will be distributed at this event. Be sure to bring your ID. BSD Transportation will mail a postcard with your child's bus stop times and location in mid/late August.

Summer Learning – All BSD students were given several books to read along with a reading log for the summer. Please work with your child to make sure they complete this reading over the summer. There are also online books available using the app SORA in your child's Class Link account, which they can access by using their District-issued Chromebook. Also, our Math curriculum, Zearn, is available online and we ask that students to complete 2-3 lessons per week. Please contact the school if you need any of these materials or if you have any questions.

Supply Lists – Most of the items needed for the beginning of the school year have already been purchased by MPE. Your child's teacher may be in touch with you at the beginning of the school year if anything else is needed.

Finally, check out our fantastic PTA's website at <https://www.mpeptade.com/> and consider joining our PTA.

As always, please reach out if there is anything that you need.

Sincerely,

Mr. Auerbach
