## Come Join Our Team!

Concord Rowing provides rowing opportunities to all students with a wide range of athletic abilities at Concord High School. We help any student become a highly trained, competitive athlete.

Our team welcomes new members at our Learn to Row Camp in August, at the start of Fall or Spring competitive seasons, or during our land-based Winter Workouts.

From March until November, our team rows out of the Wilmington Rowing Center boathouse on the Christina River.

During our Spring and Fall seasons, we practice Monday, Wednesday, Thursday, Friday after school (3-5:30pm) and Saturday morning (7-9:30am).

## Rowing is one of the fastest growing sports in the country!

Many colleges and universities provide significant scholarship opportunities for talented athletes.

Top collegiate rowing programs, including the University of Delaware, Georgia Tech, Jacksonville University, Washington College, Rutgers University, Temple, Bucknell, and the University of Miami recruited Concord Rowing Alum.

## Regattas

Concord Rowing races at several competitive regattas throughout the year.

We regularly attend the Philadelphia Manny Flick Regatta series, Philadelphia City Championships, and the Stotesbury Cup Regatta during our Spring Season.

We also regularly attend the Head of the Christina, Navy Day Regatta, and the Head of the Schuylkill Regatta during our Fall Seasons.

In recent years, Concord Rowing has also competed at invitational, qualifying regattas such as the Head of the Charles Regatta in Boston, Massachusetts and the Scholastic Rowing National Championship Regatta.
