

**Brandywine School District Gifted Education Services
Identification Timeline
For Students Who Will Enter
Pre K - Kindergarten**

Each student who is registered for Kindergarten in BSD is given a date for a Childfind screening	January to August
The supervisor of gifted education services receives the names of students who have been recommended for further evaluation based on the scores on the Childfind screening.	January to August
The supervisor of gifted education services arranges for the child to undergo a cognitive evaluation which is administered by a school psychologist.	January to August-Students are scheduled as names are received
Parents of students who score 124 or higher on the cognitive evaluation will receive a letter indicating that their child has been recommended for gifted education services in Kindergarten. Parents will be asked to accept or decline services.	January to August as cognitive evaluations are completed.
Parents of students who score lower than 124 will receive a letter indicating that their child has not been recommended for gifted education services.	January to August
Students will begin receiving gifted education services	First Day of School
