Reading News

15-30 minute small Differentiated Instruction groups are moving into a new cycle after Spring Break. Please check your child's DI Schoology folder to see if his/her group has changed. If not, reach out to the classroom teacher to double check. . Also, your child reads a new Shared Story each week in class. Ask your child which story they are reading this week.

Upcoming Stories:

- The Fire Cat
- *Frog & Toad Are Friends
- *Young Cam Jansen & The Library Mystery
- *Young Cam Jansen & The Pizza Mystery

**If your child needs another re-reading of the Shared Reading story, please have them listen to the pre-recorded echo reading of the story. These are inside the Reading Schoology folders.*

Math News

. All 1st grade students will be working on Module 6 of Eureka which is Addition and Subtraction to 100.

We are challenging all students to complete 4 Zearn Online lessons a week to earn a small reward from your teacher.

Kid Writing

Students are writing every day! This marking period we will begin with Personal Narrative writing together as a class. Following that will be Book Review Writing and then Descriptive Writing. Classes will work thru these lessons together.

Science

This marking period we will begin studying Organisms in Science. Students will learn about living and non living things, as well as, the 5 senses. We will also be planting seeds and gathering data on how a seed grows.
