Nurse's Station

VACCINE Clinic May 5, 2021 at MPHS 2-7 PM & May 26, 2021

BSD is hosting a vaccine clinic today, Wednesday. It is a 2-step process. We aren't requiring people to be vaccinated but we should be mindful of our staff and families who may not be computer savvy or may have had difficulty making an appointment. If you can check with staff and families who may have had difficulty navigating the state system or traveling to the different locations and help them make an appointment if needed. This is for all staff, families and students over the age of 16. The Pfizer vaccine will be given. LINK to register:

Remember, they must schedule an appointment time at the end of survey.

Social Worker Corner

We are gearing up to close out this school year with a BANG! Everyone loves ice cream and you can earn a gift certificate to: Double Dipper Ice cream Parlor, 3545 Philadelphia Pike Claymont, DE 19703. We have 62 certificates to give away. Look for posters around the building and on your Schoology link for more details.

Keep logging on and coming into to schoolyou just might get a treat.

We are also hitting the neighborhoods to register new 5 yr old for Kindergarten. Early learning is vitally important.
