

At Home Screening Checklist

Please DO NOT send your child to school if they have **two or more** of the symptoms listed below:

- Temperature of 100.4° or higher (taken by mouth, without the use of medication)
- New cough
- Difficulty breathing, shortness of breath, or severe wheezing
- Sore throat, headache, congestion, runny nose
- Muscle or aches, chills, or fatigue
- Diarrhea, vomiting, nausea, or abdominal pain
- Loss of taste or smell OR change in taste

It is recommended that students experiencing symptoms use an at-home COVID-19 test kit or contact their family doctor.

As a reminder, if your student tests positive for COVID-19, please call the BSD COVID Reporting Line (302-793-5095) to alert our teams and receive guidance.
