Remote Learning Expectations

Preschool & Elementary Students

Students	Parents/Guardians	Teachers
Attend and participate in all scheduled classes in "real time" or "on demand"	Provide a supportive learning environment including time, space, and resources	Follow a daily remote learning schedule
Communicate with school staff what is working and what is not	Communicate regularly with teachers and school regarding needs	Classes will occur in real time (synchronous) for all or part of the class period
Follow District technology expectations and the District Acceptable Use Agreement	Take advantage of parent resources available on the District or school websites	Available to provide students support with remote learning
Engage in social and emotional (SEL) check-ins and lessons	Monitor student progress within Schoology and Home Access Center (HAC)	Provide ongoing feedback to students on progress
