Dear Parent:

Springer Middle School is pleased to provide the following academic assistance for our students.

The **Springer Homework Club** is a voluntary after-school program providing academic assistance to students. Your child has been selected to participate in this program which is held from 3:10 p.m. to 4:20 p.m. on Wednesdays starting 11/03. They will **meet with Ms. Laura Heckman (ELA teacher) and Laura Carlson (Math teacher) in room 184**. This provides a quiet place for them to study and complete their assignments. There will be supervision and access to teachers and school tutors who have been trained to assist students in their studies

The main goal of the Homework Club is to provide students with resources and one on one support to complete their assignments. In addition, to instill good study habits, organizational skills, and a sense of accomplishment.

Please note that all after school programs end at 4:20 pm. Supervision is not provided after that time. There is an **after-school activity bus that departs the school at 4:30 pm**. Academic progress depends on consistent completion of classwork and homework. It is our belief that your child can be successful if we all work together to support instruction and academics. We encourage your child to take advantage of the opportunities that Springer provides its students to ensure academic success.

If you would like your child to participate in the Homework Club, please fill out the attached Behavioral Standards form and return to your child's homeroom teacher or administrator. BARK Builders (Student leaders) will be used to assist in peer tutoring at times.

If we may be of any further assistance, please do not hesitate to contact us at 302-479-1621.

Sincerely,

Dr. Tracy Woodson,
Principal

Springer Homework Club and Behavioral Standards
