

Defining Close Contacts

Close contact is defined as being within the distances shown below for longer than 15 minutes within a 24-hour time period.

COVID positive student
wearing a mask

Less than 3 feet

All students or staff
closer than 3 feet for
more than 15 minutes
with or without a mask
must
QUARANTINE

COVID positive student
wearing a mask

3 feet or more

Students or staff who
are wearing a mask
DO NOT NEED TO
QUARANTINE

COVID positive student
who inconsistently
wore a mask or did not
wear a mask

Less than 6 feet

All students and staff,
whether they wore a
mask or not,
must
QUARANTINE

COVID positive staff
wearing or not wearing
a face mask

Less than 6 feet

All students and staff,
whether they wore a
mask or not,
must
QUARANTINE

Adults and children who are fully vaccinated do not need to quarantine if they do not have symptoms. They should wear a mask when around others for 14 days, watch for symptoms, and get tested three to five days after exposure.
